## *About the college*

National Institute of Technology, Warangal (Deemed University), formerly known as Regional Engineering College, was established in 1959.

Pandit Jawaharlal Nehru laid the foundation stone for this institute on October 10, 1959, the first in the chain of 30 NITs (formerly known as RECs) in the country.

The Institute is well known for its dedicated faculty, staff and the state-of-the art infrastructure conducive to a healthy academic environment. The Institute is constantly striving to achieve higher levels of technical excellence. Evolving a socially relevant and yet internationally acceptable curriculum, implementing innovative and effective teaching methodologies and focusing on the wholesome development of the students are our concerns. Thanks to UNESCO and UK assistance in the past, many developmental activities were undertaken. The World Bank Assistance under Technical Education Quality Improvement Programme (TEQIP during 2004-09) had been a timely help in the overall development of the Institute.

---

*National Institute of Technology,  
Warangal (Deemed University),  
formerly known as Regional  
Engineering College, was  
established in 1959.*

---

The Institute currently has thirteen academic departments and a few advanced research centres in various disciplines of engineering, pure sciences and management, with nearly 100 laboratories organized in a unique pattern of functioning, Central Library with state of the art facilities, Auditorium, Student Activity Centre, Mega Computer Centre, Indoor Games Complex, big stadium, Seminar Halls with required infrastructure, Dispensary with state of art facilities, etc. Faculty of repute, brilliant student community, excellent technical and supporting staff and an effective administration have all contributed to the pre-eminent status of N.I.T., Warangal. The Institute offers eight undergraduate programmes (B.Tech.) in engineering, Twenty nine post graduate programmes (M.Tech., M.Sc., MCA and MBA) in engineering, sciences and management and research programmes in engineering, sciences, humanities, physical education and management. The institute is well-known for its Research and Development, Industrial consultancy, Continuing education and Training programmes for teachers and industrial personnel.

N.I.T., Warangal is a residential institute with nearly 3355 (UG : 2251 & PG : 1104) students apart from nearly 269 Ph.D., (150 Full Time and 119 Part time) Scholars. It has 16 residential blocks including one mega & one ultra-mega hostel for boys, two hostels for girls and one hostel for foreign students. It has five messes for boys, one mess exclusively for girls and one mega mess with present state of art facilities for boys, foreign students and girls. It has nearly 200 teaching staff and 360 administrative and supporting staff apart from outsource personnel. It is a self contained residential campus located in a beautiful wooded land of about 248 acres. It is located on either side of

Hyderabad - Warangal highway at a distance of 3 Kms from Kazipet Railway Station and 12Kms from Warangal Railway Station. It is located at a distance of 140 Kms from Hyderabad. Warangal enjoys a unique position in the cultural and historical map of the state. The exquisite and intricate architecture in Ramappa, Thousand Pillar Temple, Badrakali Temple and the Warangal Fort have been centres of attraction. Lovely gardens, wild life sanctuaries, lakes and rocks in the vicinity are other places of interest for students. The place enjoys a good climate throughout the year except for the patches of hot summer during May-June.

It is a residential campus with all the basic facilities for both the students and staff to live on the campus. The following statistical figures might give an idea about the buildings in the campus. The plinth area occupied by the different buildings on the campus are: Administrative Building (3,331 Sqm), Academic Buildings (34,448 sqm), Library Building (3,610 sqm), Students Hostels (32,642 sqm), Sports Pavilion and Gallery (784 Sqm), Director's Bungalow, Staff Quarters and Guest House (31,598 sqm.) The road network in the campus runs to a length of 12 kms. Work is in progress in creating more space for the varied purposes referred above and also for the extension of network of roads.

The placement service at the institute is one of the best of its kind in the country. The alumni of the institute hold responsible and enviable positions all over the world and are in constant touch with the institute. Every new entrant into the portals of this institution is poised for partaking a rich heritage and tradition that is unique to NITW. According to NASSCOM Data Quest Survey, NITW clinches the 13th rank among the technical institutes in the country.

*N.I.T., Warangal is a residential institute with nearly 3355 (UG : 2251 & PG : 1104) students apart from nearly 269 Ph.D., (150 Full Time and 119 Part time) Scholars.*

## MESSAGE

National Secretary and Editor

Dear Alumni,

It is a great pleasure to come out with the first newsletter for NIT Warangal Alumni Association (NITWAA). NIT Warangal is the first NIT (Previously REC) and is one of the prestigious institutes in the country. Leveraging the strength of Alumni from NIT Warangal, will definitely be an advantage for the Alumnus across the world and the Almamator. The intention is to strengthen the chapters and its activities to develop an excellent fellowship and networking among the Alumni. Since the newsletter was collated in a short span of time, the total perspective could not be covered. Every effort will be made to improve the same in the future editions. Suggestions to improve are welcome.

With Warm Regards

Biju Philipose  
National Secretary and Editor  
1993 Electrical

## MESSAGE

President, NITWAA

Dear Alumni,

As an Association, we have a Vision to be a cohesive and energetic organization, working to advance NITWAA and serve her Alumni. Our Mission is to serve and involve NITW Alumni and students; to enlist alumni talents and resources in the preservation and promotion of NIT Warangal image, tradition, pride and status as an institution of excellence in training, research and innovation for development. In line with this, consultations are ongoing to establish structures and guidelines that will enable all members of the NITW Alumni Association to contribute effectively to the attainment of this noble goal.

It is at this juncture that may we extend our uttermost appreciation to the NITW BOG for the support we have received in this regard. Of particular importance has been the acceptance of creation of the Alumni Office which will be instrumental in strengthening the presence of the Association. The establishment of Alumni Affairs has greatly enhanced the relationship between the Alumni and the college. These new developments are in line with our initiatives to consolidate the NITWAA goals.

There are various ways in which we can support our Alma mater. We could provide mentorship and career guidance to students. Grant opportunities for attachments and internship to students and graduates but most significantly, are the contributions we can make to support our Alma Mater realize it vision.

Connect the experiences and take on the best practices and pass on to the next Generation of NITWians pass out. We must appreciate that without such contributions progress will be slow and impact limited. I therefore call upon you to rise up to the challenge of making this institution the centre of excellence that we all want it to be. As a first step we will be launching the newsletter as well as website on the eve of 6th NITWAA international meet. Let us put all our energy to build a connect with old and new generations and add value to build BRAND NITW.

With Best wishes,  
E RAVI KESHAV  
President, NITWAA

## PROFILE

Director, NITW

Prof. T. Srinivasa Rao

Prof. T. Srinivasa Rao is one of the senior Professors of the NIT-Tiruchirappalli with 25 years of experience in teaching, research and administration. He obtained his B.Tech. (Metallurgical Engineering) from Regional Engineering College, Warangal (NIT Warangal), M.Tech. (Foundry Engineering) from Indian Institute of Technology (IIT), Kharagpur, and Ph.D. from Regional Engineering College, Tiruchirappalli (NIT Tiruchirappalli) in 1982, 1984 and 1992 respectively. He began his career at Praga Tools Limited, Secunderabad as a Management Trainee. Later he joined REC, Tiruchirappalli as a Lecturer in the year 1986. Subsequently, he was an Assistant Professor, Professor and Head of Metallurgical and Materials Engineering Department at NIT, Tiruchirappalli

He is a recipient of BOYSCAST Fellowship from Department of Science and Technology, New Delhi and carried out post doctoral research work in the University of Texas at Austin, USA. He also served as a Visiting Faculty in the Department of Materials Science and Engineering, NTU, Singapore. He is also a recipient of the Best Teacher Award from NIT, Tiruchirappalli for the year 2008-2009.

He has been conferred with the following Awards and Honors:

Greaves Foseco Award for the best project work in Foundry Engineering at IIT Kharagpur.

BOYSCAST Fellowship by the Department of Science and Technology, Govt. of India, New Delhi.

Expert Member for Faculty Selection (P, AP & L) - NIT, Warangal and NIT Calicut.

Panel Member for 2006 NMD Awards

AICTE Expert Member for inspecting the Engineering Colleges

Expert Member for DRDO Scientists Selection

Expert Member for AICTE-NBA accreditation (NITK, Surathkal and VNIT, Nagpur)

Served as a Member, Board of Governors, NIT, Tiruchirappalli (2008-2009).

Best Teacher Award (2008-2009) by NIT, Tiruchirappalli.

# Reconnect & Stay Connected

RECW (NITW) ALUMNI ASSOCIATION - MUMBAI started functioning with just 4 registered members (2 Patron and 2 Life) during the year 2003-04 and was registered as a Society on 7th April 2005 with the Public Trust Office, Greater Mumbai Region, Mumbai with its registered office at 5-C, Sett Minar, Peddar Road, Mumbai 400 026. With its motto

"RECONNECT & STAY CONNECTED" it has since inception been promoting the alumni of NITW (RECW) to meet and establish the lost connections. As on date it has 40 registered (6 Patrons and 34 Life) members and a mailing group of over 150 members.

The Association meets regularly every quarter and since the last couple of years in an attempted to make the meetings livelier, the alumni are invited to present topics of interest, especially in their own field of expertise, to the group during these meetings. The move has been wholeheartedly welcomed and notable presentations made were by Mr. D Murali (President - Projects RIL) from the first (1959-64) batch of RECW on the topic 'Setting up of the Jamnagar Refinery of Reliance', by Mr. Linga Reddy (MD of PETE Transformers, Hyderabad) on the topic 'Secrets of Business Excellence', talks by Mr. M S R

Ayyangar on 'Scientology', 'Stress Management' & 'Homoeopathy', by Mr. Dilip Pitkar on 'Bhagvad Gita' and the latest being audio visual screening by Mr. M S R Ayyangar, the talk made at IMA on 'Mastering the Mind' by Swamini Vimalanand, which kept the alumni spell bound for over an hour and quarter. We strive to make these meetings interesting, intellectually stimulating, livelier and meaningful by having thought provoking, knowledge-based topics for presentations and discussions in coming days.

In absence of owned premises, the Association's meetings have been made possible by Mr. S M Shetty (1960-65) who has been ever willing, supporting and generous to make available his office premises, his staff, other infrastructure facilities and take care of all refreshments, including lunch after the long meetings. RECW (NITW) ALUMNI ASSOCIATION - MUMBAI is thankful and grateful to Mr. S M Shetty for the warmth, generosity and courtesies extended for smoothly and successfully conducting these meetings. In the recent past RECW (NITW) ALUMNI ASSOCIATION - MUMBAI has been receiving participants coming down specifically for the meetings from places like Pune, Nagpur, Vapi, etc. The members list includes, academicians, entrepreneurs, retired and in

service alumni from public and private sector, apart from students on some of the occasions.

The Office of the Executive Committee of the association consists of 11 members elected from the registered members as per the rules and regulations approved by the Public Trust Office and the current key office bearers are Mr. MSR Ayyangar (President), Mr. K P Sankaran (Vice President), Dr. Monica Khanna (Secretary), Ms. Chandni Garhwal (Jt. Secretary), Mr. Jose Kuruvilla (Treasurer) and Mr. Rajnish Rangari (Jt. Treasurer).

The Association aspires to reach out to other Chapters especially those in the Western Region and truly live upto its motto of 'Reconnect & Stay Connected' with meaningful achievements and hope that blessings of NEC will help achieve a larger and wider membership in coming days.

Be part a proud NITian and join RECW (NITW) ALUMNI ASSOCIATION - MUMBAI.

# Middle East Chapter

The Middle East chapter of NITW Alumni Association was started in 2008 with handful of Alumni present in the GCC countries.

With the hard work of the various team and camaraderie amongst everyone, people kept coming on board and the chapter today stands at 350+ Alumni present in MENA-Levant region (Middle East + North Africa + Turkey & Levant countries). The UAE chapter itself has 175+ Alumni members.

Every two years, the members select an Executive Committee (EXCO) from amongst them to look after various activities of the Association. So far, we have had two such EXCOs. The third one has been put in place recently.

The following events are conducted under the aegis of the Association-

- **Annual get together** – A family event held in the last quarter of each calendar year, where year long activities-related in-principle decisions are taken.

The Chapter has also been hosting a faculty member along with his wife as the chief guest during the said event.

The latest one (5<sup>th</sup>) was held on 29.11.13 in Dubai. Two photographs from the event are included below.

- **Tech. Seminar (Started from 2012)** – This is conducted at least once a year. The Broad theme for the same is announced and the speakers from both external as well as internal engineering fraternity are invited to share their knowledge.
- **Informal Get Together** – On the sidelines of the above two formal events, every year at least two informal events are conducted – once in each half of the year.
- **Community Service** – For the last 3 years, the chapter has been making a group contribution towards helping the students at college. The Chapter is committed to continue the same, in a different form, if required.
- **Dedicated Facebook and LinkedIn groups** are also maintained, which are both closed groups only for the Alumni in this part of the world. These have proven to be a powerful tool for quick & easy connectivity.
