

FACULTY DEVELOPMENT PROGRAMME (FDP)
ON
STRATEGIES AND ICT TOOLS FOR HYBRID VEHICLES
(7th – 12th February, 2019)

Organized by
E & ICT Academy and Department of Mechanical Engineering
NIT Warangal

(Sponsored by Ministry of Electronics and Information Technology (MeitY), GOI)

Preamble:

"Electronics & ICT Academy" was set up at NIT Warangal with financial assistance from MeitY, GoI. The role of academy is to offer faculty development programmes in emerging areas of Electronics, Information Communication Technologies; training & consultancy services for Industry; Curriculum development for Industry; CEP for working professionals; Advice and support for technical incubation and entrepreneurial activities.

This Faculty Development Programme (FDP) is devoted to fundamental theory, recent developments and research outcomes addressing the related theoretical and practical aspects on Strategies and ICT Tools for Hybrid Vehicles. Strategies and ICT Tools referred as modern automotive technology and also commonly known as Automotive Mechatronics. Hybrid vehicles refers to technology that uses two or more distinct power sources to move the vehicle.

This course is suitable for faculty, researchers in academia and industry as well. The purpose of conducting this 6- day workshop is to provide the participant with precise theoretical and practical up to date exposition of Hybrid Vehicles. The programme provides an in-depth understanding of electronic control systems, vehicle sub-systems and operation of various computer controlled motor vehicle systems in network system.

Major Course Contents:

- Overview of an Automobile, Sensors, Actuators and controls
- Automotive Infotainment, ADAS, Telematics, drive technologies and vehicle safety
- Hybrid vehicle modeling and its research opportunities
- Smart Manufacturing and Fuel cells
- Experimental learning on Mechatronics, Vehicle chassis dynamometer and performance test on fuel cells.

Faculty conducting this programme:

The programme will be conducted by the faculty members from NIT Warangal. Experts in the concerned field from ZF, TATA Motors, Mahindra & Mahindra and IIT are invited to deliver lectures in the programme.

Eligibility:

The programme is open to the Faculty and PhD scholars of Mechanical Engineering and allied disciplines. Industry personnel working in the concerned/allied discipline can also attend.

Registration Fee Particulars:

Faculty and Research Scholars	Rs. 2500/-
Faculty of SC/ST Category	Rs. 1875/- (SC/ ST participants should submit the copy of their caste certificate to claim the concession along with application form)
Industry Participants	Rs. 7500/-

SC/ST concession is only for faculty of mentioned state. Research scholars are not eligible SC/ST concession.

The entire registration fee is to be collected in the form of DDs/online transfer using the following details:

DD Details	Online Transfer Details
Demand Draft in favor of "Director, NIT Warangal" payable at any bank in Warangal	Account Name: Electronics & ICT Academy NITW Account No: 62423775910 IFSC: SBIN0020149

Accommodation:

All the selected participants will be provided FREE boarding & lodging in the institute guest house. No TA will be paid for the participants.

How to apply:

A filled in form of application in the prescribed format duly signed and sponsored by appropriate authorities (along with demand draft) should reach the coordinator by speed-post. It is also mandatory to send scanned application form and demand draft through e-mail to gns@nitw.ac.in, gnsnitw@gmail.com, as selection will be intimated only through mail.

Selection Criteria:

Selection will be done based on **first-cum-first-serve basis** and the confirmed candidates will be notified immediately. The maximum number of participants will be **40 (forty)**. Additionally 10 participants from industry are allowed to participate. The list of selected participants will be notified in the institute web site www.nitw.ac.in and also will be sent to their personal e-mail ids. In case a candidate is not selected, the demand draft will be returned. A test will be conducted at the end of the course. Candidates will be issued satisfactory certificates on successful completion of the course. Reservations are followed for selecting candidates as per GoI norms.

Important dates:

Last date (Application & DD)	25/01/2019
Selection List by E- mail	27/01/2019
Duration	07/02/2019 – 12/02/2019

About the Institute, Department & Warangal:

National Institute of Technology, Warangal is the first among 17 RECs setup as joint venture of the Government of India and the state government. Over the years the college has established itself as a premier Institute imparting technical education of a very high standard leading to the B.Tech degrees in various branches of engineering, M.Tech. and Ph.D programs in various specializations. All B. Tech and M. Tech programmes of NIT Warangal are NBA accredited.

The department of Mechanical Engineering offers an UG program, seven PG programs and a Ph.D program as well. There are 39 qualified and experienced faculty in the department. The department has liaison with reputed industries and R&D organizations like NIFTDC, BHEL, DMRL, DRDL, CMTI, etc. Presently the department is handling several R&D projects and consultancy works. The department has also been recognized as a QIP centre for M. Tech and Ph.D programs.

Warangal is known for its rich historical and cultural heritage. It is situated at a distance of 140Km. from Hyderabad. Warangal is well connected by rail and road. National Institute of Technology campus is 2 Km. away from Kazipet junction and 12Km. away from Warangal station.
