

The Students' Council in association with the Student Clubs will be organizing various activities as part of celebrating the 150th birth anniversary of Gandhiji, the father of the nation, during September 12-15 on the campus. The main objective of this program is to delve into the life and philosophy of Gandhiji for drawing inspiration and finding solutions for the uplift of the society in general and the rural India in particular. Various activities like Quiz, Essay Writing, Elocution, Short film making, Painting, Skit & Drama etc will be conducted by our Clubs during the above period. The exact details will be announced by the concerned clubs. All the UG,PG and Phd students are encouraged to participate in the events and take it as an opportunity to develop the understanding about Gandhiji. First B.Tech students will be given exclusive prizes in the above competitions. You can look forward for a fabulous prize amount of Rs 50,000/- along with the certificates of participation.
