

About NIT Warangal

National Institute of Technology Warangal, formerly known as Regional Engineering College was established in 1959. Over the years it has evolved into a premier institute of higher learning and is ranked among the top technical education institutions in India. There are 14 Departments offering 8 undergraduate and 31 post-graduate besides doctoral programs. About 5500 students across the country and about 500 international students from over 40 countries study on the campus. It is a fully residential campus sprawling over a lush green 250 acres of land with excellent infrastructure in the form of state of the art library, seminar halls, guest houses and laboratories. It is well connected by rail (Kazipet Junction is two km away and Warangal Station is 12 km away). The nearest Airport is RGIA, Hyderabad (180km). The details can be seen in the website: www.nitw.ac.in

Themes of NOIEAS-2019

The conference focusses on the latest developments in the field of Numerical Optimization. The subject has wide applications in Engineering as well as Sciences. The conference is also aimed at providing an interactive platform to the academia, researchers and the industry. Participations from different industries, universities and academic institutions from all over the country and abroad are anticipated. The organizing committee hereby invites scientists / technologists engaged in basic as well as applied research from the Universities, Research Institutions and Industries to participate. The scientific sessions will comprise plenary talks, invited talks, technical talks and contributed papers (both oral and posters) on the following sections: 1. Sciences, 2. Civil Engineering, 3. Electrical Engineering, 4. Mechanical Engineering, 5. Chemical Engineering, 6. Other Engineering Branches.
