Notice for All UG and PG Outgoing Students- Academic Year 2021-22

30-03-2021

The institute is going to facilitate the process of obtaining NO DUES online with the support of WSDC. We are in the process of obtaining the list of students having DUES with various sections such as their Parent Department, Placements, Accounts and Library (except Hostels) and display the same in the online portal.

To hasten up the process, the students are advised to get prepared themselves by completing the following:

1. The Central Library has already prepared a list of all outgoing students who have taken books and are due to return. The list of students holding the Library books can be verified from the following link: 
   - List of PG Students
   - List of UG Students

   The students in the above list are advised to return the books immediately. If anyone fails to return the books the penalty will be a sum of double the cost of the book and fine amount for holding the books between the date of issue to the date of lock down, i.e. March 2020.

2. Students staying in the Hostels are also advised to clear their DUES with the Hostels separately with the Hostel Office.

The WSDC online portal will be open in the second half of April 2021 which will facilitate the upload of payment receipts and obtain NO DUES.

   The Degree Certificate will be withheld for those students who do not clear the DUES.
