Office Memorandum

Subject: SBSI-Extension of Last Date of Registration.

We are aware that Swachh Bharat Summer Internship (SBSI) was launched on 25th April 2018. The program has received very positive response from students as well as NYKS Youths across the country. As of today, 2.27 lakh interns have registered themselves on the SBSI Portal.

Every day, the Ministry receives a plethora of stories from across the country about how the youth of India are engaging effectively in carrying forward the message of Swachhta - through various interventions spanning cleaning drives, communication interventions, behaviour change initiatives, construction of toilets etc.

A review meeting with implementing Ministries and Organisations was convened on 5th June 2018. In the said meeting it was a general recommendation that the Last date of Registration should be extended to 15th July 2018 from existing 15th June 2018.

Accordingly the Competent Authority has approved the extension of last date of registration to 15th July 2018 .

It is requested that this Registration date extension information may be communicated to all concerned for further needful action.
