

## **Induction Program for First Year B.Tech Students**

**23<sup>rd</sup> July to 4<sup>th</sup> August, 2018**

A two-week induction program for first year B.Tech students is to be held during 23<sup>rd</sup> July- 4<sup>th</sup> August 2018. It is mandatory for all the incoming first year students to attend this program. A Very Good/Good/Satisfactory grade will be awarded based on the evaluation of the student performance in the program. Regular classes will start after the induction program.

The objectives of the program are as follows:

1. Assimilation in the ethos and culture of the institution
2. Exposure to a larger vision of life
3. Bonding among students and teachers
4. Learning a creative skill in arts
5. Regular lifestyle and professional discipline
6. Special assistance for **needy** students for improving proficiency in English and Mathematics

The above objectives will be achieved through the following activities:

1. Physical activity: Yoga, Mild Exercise, Games and sports etc.
2. Creative arts: Painting, sculpture, pottery, music, dance etc.
3. Literary activity: General reading, writing summaries, debating, enacting a play etc.
4. Human Values: Discussion/Lectures in small groups of students with a faculty member
5. Lectures by eminent people: From industry, entrepreneurs, public life, social activists, alumni
6. Visits to city & surrounding areas
7. Exposure to department/branch, Innovation, Exploring Engineering.

This is an initiative taken by NIT Warangal to acclimatize and expose incoming students to various facets of campus life and help them to realize their full potential. Students are strongly encouraged to utilize this opportunity.
