

Overview of the Conference

NIT Warangal, celebrating its Diamond Jubilee year, collaborates with Sports Psychology Association of India to organise the national conference on "Sport and Exercise Psychology: Practices, Pursuits and Promises" to cover a wide range of topics related to sport, play, exercise, motor behaviour and physical activity.

The conference aims at addressing the new perspectives on the science and art of sports and exercise psychology and issues related to the athlete's mental training and management and social changes. The Conference aims at facilitating fruitful exchange of knowledge and experience and to further the feeling of identity by creating a platform for the sports psychologists, physical educationists, coaches, sports administrators, sport scientists etc., in the field.

Sub-Themes

- Motor skill learning and sports skills learning
- Intrinsic and extrinsic motivations in sport and exercise scenario
- Societal influences on sporting activities - psychological perspective
- Psychological intervention techniques in elite sport
- Applied sport psychology support to high performance sports
- Elite sport - pursuits, priorities and problems
- Sport psychology in school and youth sport perspective
- Mind training techniques and strategies
- Performance psychology - sport and exercise environments
- Yogic practices in sport psychology perspective
- Measurement constructs and issues in sport psychology
- Underlying issues in the practice of sport psychology - values and attitudes

About the Institute and Warangal

The National Institute of Technology (NIT), Warangal is the first in the chain of 31 NITs, Institutes of National Importance established by Act of Parliament. Late Pandit Jawaharlal Nehru laid the foundation stone for this institute on October 10, 1959. The Institute is well-known for its Research and Development, Industrial Consultancy, Continuing Education and Training programs for teachers, professionals and industrial personnel.

The institute is in its 60 year of the establishment and Year-long Diamond Jubilee Celebrations are planned during Oct. 2018 to Oct., 2019. Warangal is known for its rich historical and cultural heritage. It is situated at a distance of 140 km from Hyderabad. Warangal is well connected by rail and road. National Institute of Technology, Warangal campus is 2 km away from Kazipet railway station and 12 km away from Warangal railway station.

About the Department

Department of Physical Education and Sports provide ample and diversified facilities to participate in the physical activity, sports, exercise and competitions. The commitment is to encourage, develop and enable opportunities for sport participation amongst campus community and all our stakeholders.
