Preamble:

The Centre for Training and Learning (CTL) has been established at NIT Warangal under the scheme "Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching (PMMMNMTT)". Under this Scheme, a separate building has been built exclusively for the CTL activities, with the state-of-art training facilities and training halls to train the faculty in various theme areas of Science and Technology, humanities and social sciences, linguistics and communication skills, pedagogy and cognition evaluation, etc. among others. One of the important objectives of the Centre is to conduct training programmes for the aspiring, newly inducted and in-service faculty in science, engineering, social sciences disciplines in higher education. Other activities of the CTL include offering on-line courses, curriculum design, carrying out research in educational technology and pedagogy and integrating with ICT into teaching-learning process. The CTL has special programmes of training for the marginalized and women-faculty.

About FDP:

KITS Warangal is organizing an On-Line Faculty Development Program (FDP) in association with the CTL of NIT Warangal on "Fostering Multidisciplinary Learning: Promoting Learner-Centered Teaching using ICT through Classroom Discussions" for the Faculty/teachers. It is designed to empower educators with the skills and strategies necessary to create dynamic and engaging classroom discussions. Participants will explore methods to facilitate meaningful discussions, adapt them to different subjects, and foster an inclusive learning environment. Ultimately, this FDP seeks to enhance the overall quality of education by equipping instructors with the ICT tools to foster multidisciplinary learning through effective classroom discussions.
